

BSL15-HS

Term Tech Pre-Insulated Terminals Transparent Red Heatshrink Butt Splice Connector 0.5mm²-1.5mm² Cable (Bag of 100)

The Termination Technology range of Heatshrink insulated butt splice terminals are colour coded to cover 0.5mm² up to 6mm² cable sizes. Manufactured from oxygen-free high conductivity copper which is electro-tin plated for excellent resistance to corrosion. Terminals are encased in Polyolefin Heatshrink insulation which can be shrunk down onto the cable once the terminal has been crimped onto the cables. All colours supplied in display counter packs of 100.
